

Middle Township Middle School

300 East Pacific Avenue, CMCH, NJ 08210

Grading 2021-2022

The following percentages should be used for ALL GRADEBOOKS according to subject area.

Literacy:

60% summative assignments that include tests, projects and writing and 40% formative assignments that include homework, journals, classwork, quizzes, entrance/exit tickets and class discussions. Minimum of 3 Summative Assignments and 10 Formative Assignments per marking period.

Science:

65% formal assignments that include quizzes, tests, projects and major lab reports and 35% informal assignments that include homework, warmups, ticket out, class work, labs and notebook checks. Minimum of 5 formal assignments and 10 informal assignments per marking period.

Social Studies

70% Summative assignments that include tests, projects, announced quizzes, and research papers, and 30% Formative Assignments that include homework, classwork, exit slips, unannounced quizzes, reading assignments, any check understanding activity, study guides, rough drafts and journals. Minimum of 5 Summative Assignments and 10 Formative Assignments

Math

60% Summative assignments that include tests, quizzes and projects and 40% formative assignments that include classwork, homework, exit tickets and interactive notebooks. Minimum of 4 Summative and 10 Formative Assignments per marking period.

ALL Subject Areas including Specials

Retakes:

Students should have an opportunity to retake summative assignments provided that ALL formative assignments have been attempted.
